### **3. Timeline**

### **4. Project details**

Provide background and research aim(s) (max. 3) of project

### **5. Agreement use of data/material from “The Maastricht Study” for the purpose of the PhD trajectory**

This agreement is for the purpose of the PhD trajectory entitled:

Participating researchers:

I hereby declare to be aware of the regulations described in “Application procedure Data/Materials – The Maastricht study”, briefly summarized:

- Application for the use of data- and or material needs to be done by filling out Appendix B
- “Procedure Publications” includes regulations on publication
- During the first 3 years of the PhD trajectory, the PhD students will spend at least 0.5fte on data collections for The Maastricht study (assuming a 4-year PhD project (at 1.0 fte)). This can be replaced by, for example, personnel deployment or any other type of infrastructure.

**Date**

---

**Name primary investigator**

---

**Signature of all members of the supervisory team**
